Yesterday Once More

When I was young
I'd listen to the radio
Waitin' for my favorite songs
When they played I'd sing along
It made me smile.

Those were such happy times
And not so long ago
How I wondered where they'd
gone
But they're back again
Just like a long lost friend
All the songs I loved so well.

When they get to the part
Where he's breakin' her heart
It can really make me cry
Just like before
It's yesterday once more.

Lookin' back on how it was
In years gone by
And the good times that I had
Makes today seem rather sad
So much has changed.

It was songs of love that
I would sing to then
And I'd memorize each word
Those old melodies
Still sound so good to me
As they melt the years away.

All my best memories
Come back clearly to me
Some can even make me cry.

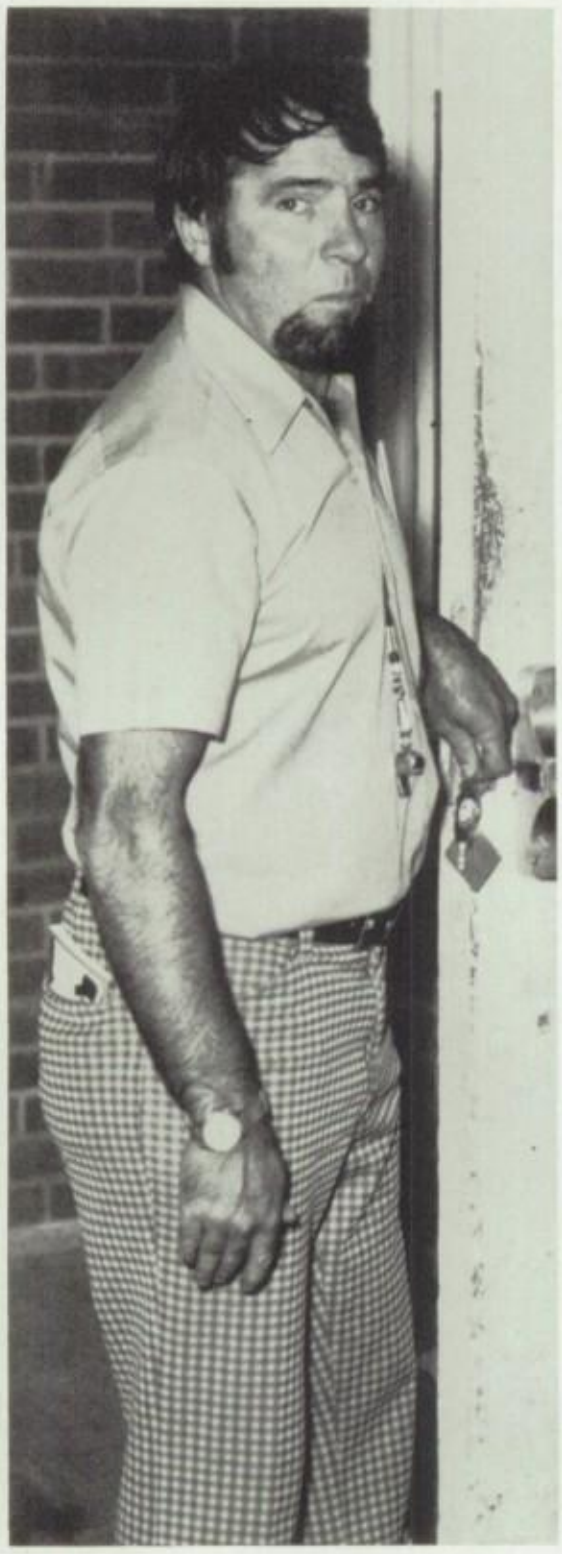
Just like before
It's yesterday once more.

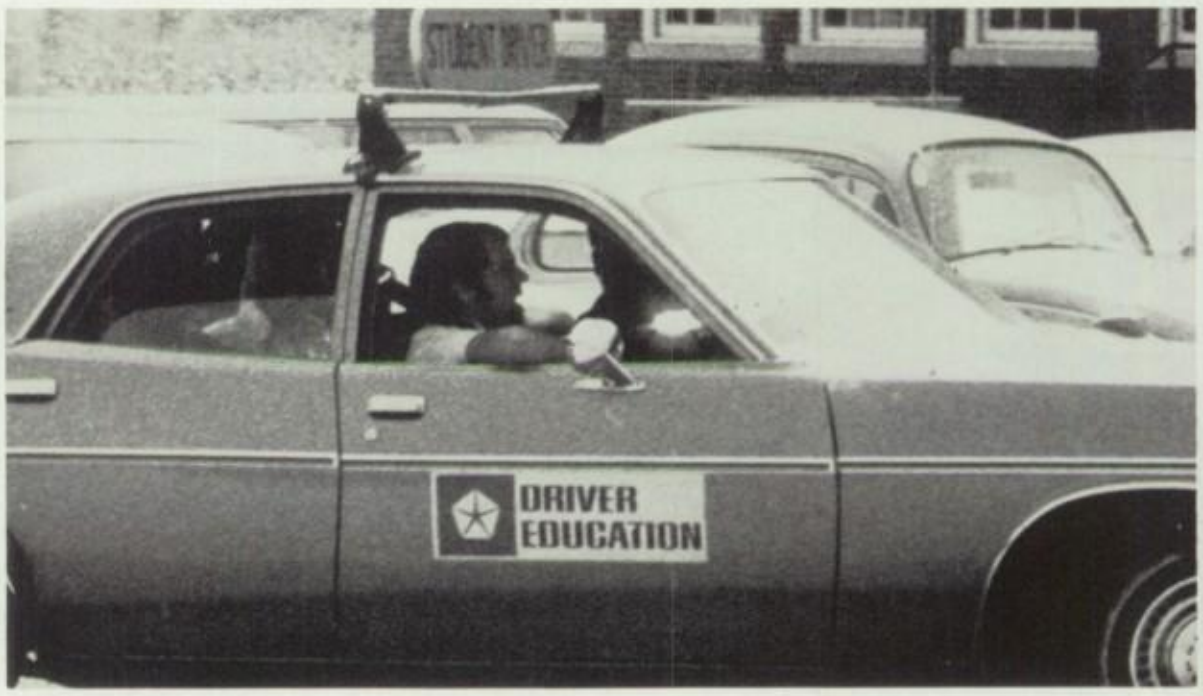
"You touched all our hearts and we'll long remember the good times we shared."

Whenever we go back to "Yesterday Once More" one of our first memories will be of you.

We the class of "75" have only one great possession to give, to show our gratitude for your friendship. To you Mr. Derenberger we dedicate our yearbook.

"Mr. D."





"The still small voice of gratitude."
Thomas Gray

You have helped our class out of many hassles through our years at MCS. Whenever we had a problem, we could turn to you for guidance. The class of "75" would like you to know your interest has been greatly appreciated, Mr. Board.

Mr. Board

Mr. Mortin

"One can never pay in gratitude: one can only pay in kind somewhere else in life."

Anne Morrow (Mrs. Charles Lindbergh)

Our experiences together were more than those in an ordinary classroom. Not only did you share your knowledge with us but also your time. We recognize the patience and faith entrusted in us during our many Yorker trips, Mr. Mortin.

"La Noche De Vida"

"La NOCHE de VIDA"

The night it happened
My whole new life began
It was put together,
Like God created sea for the sand
The night was warm and quiet
But with a hint of magic in the air.
I met a tall, dark stranger
Who said he had love to share.
The night it happened
I know I'll never forget.
The love he gave to me
Was a joy I'll never regret.

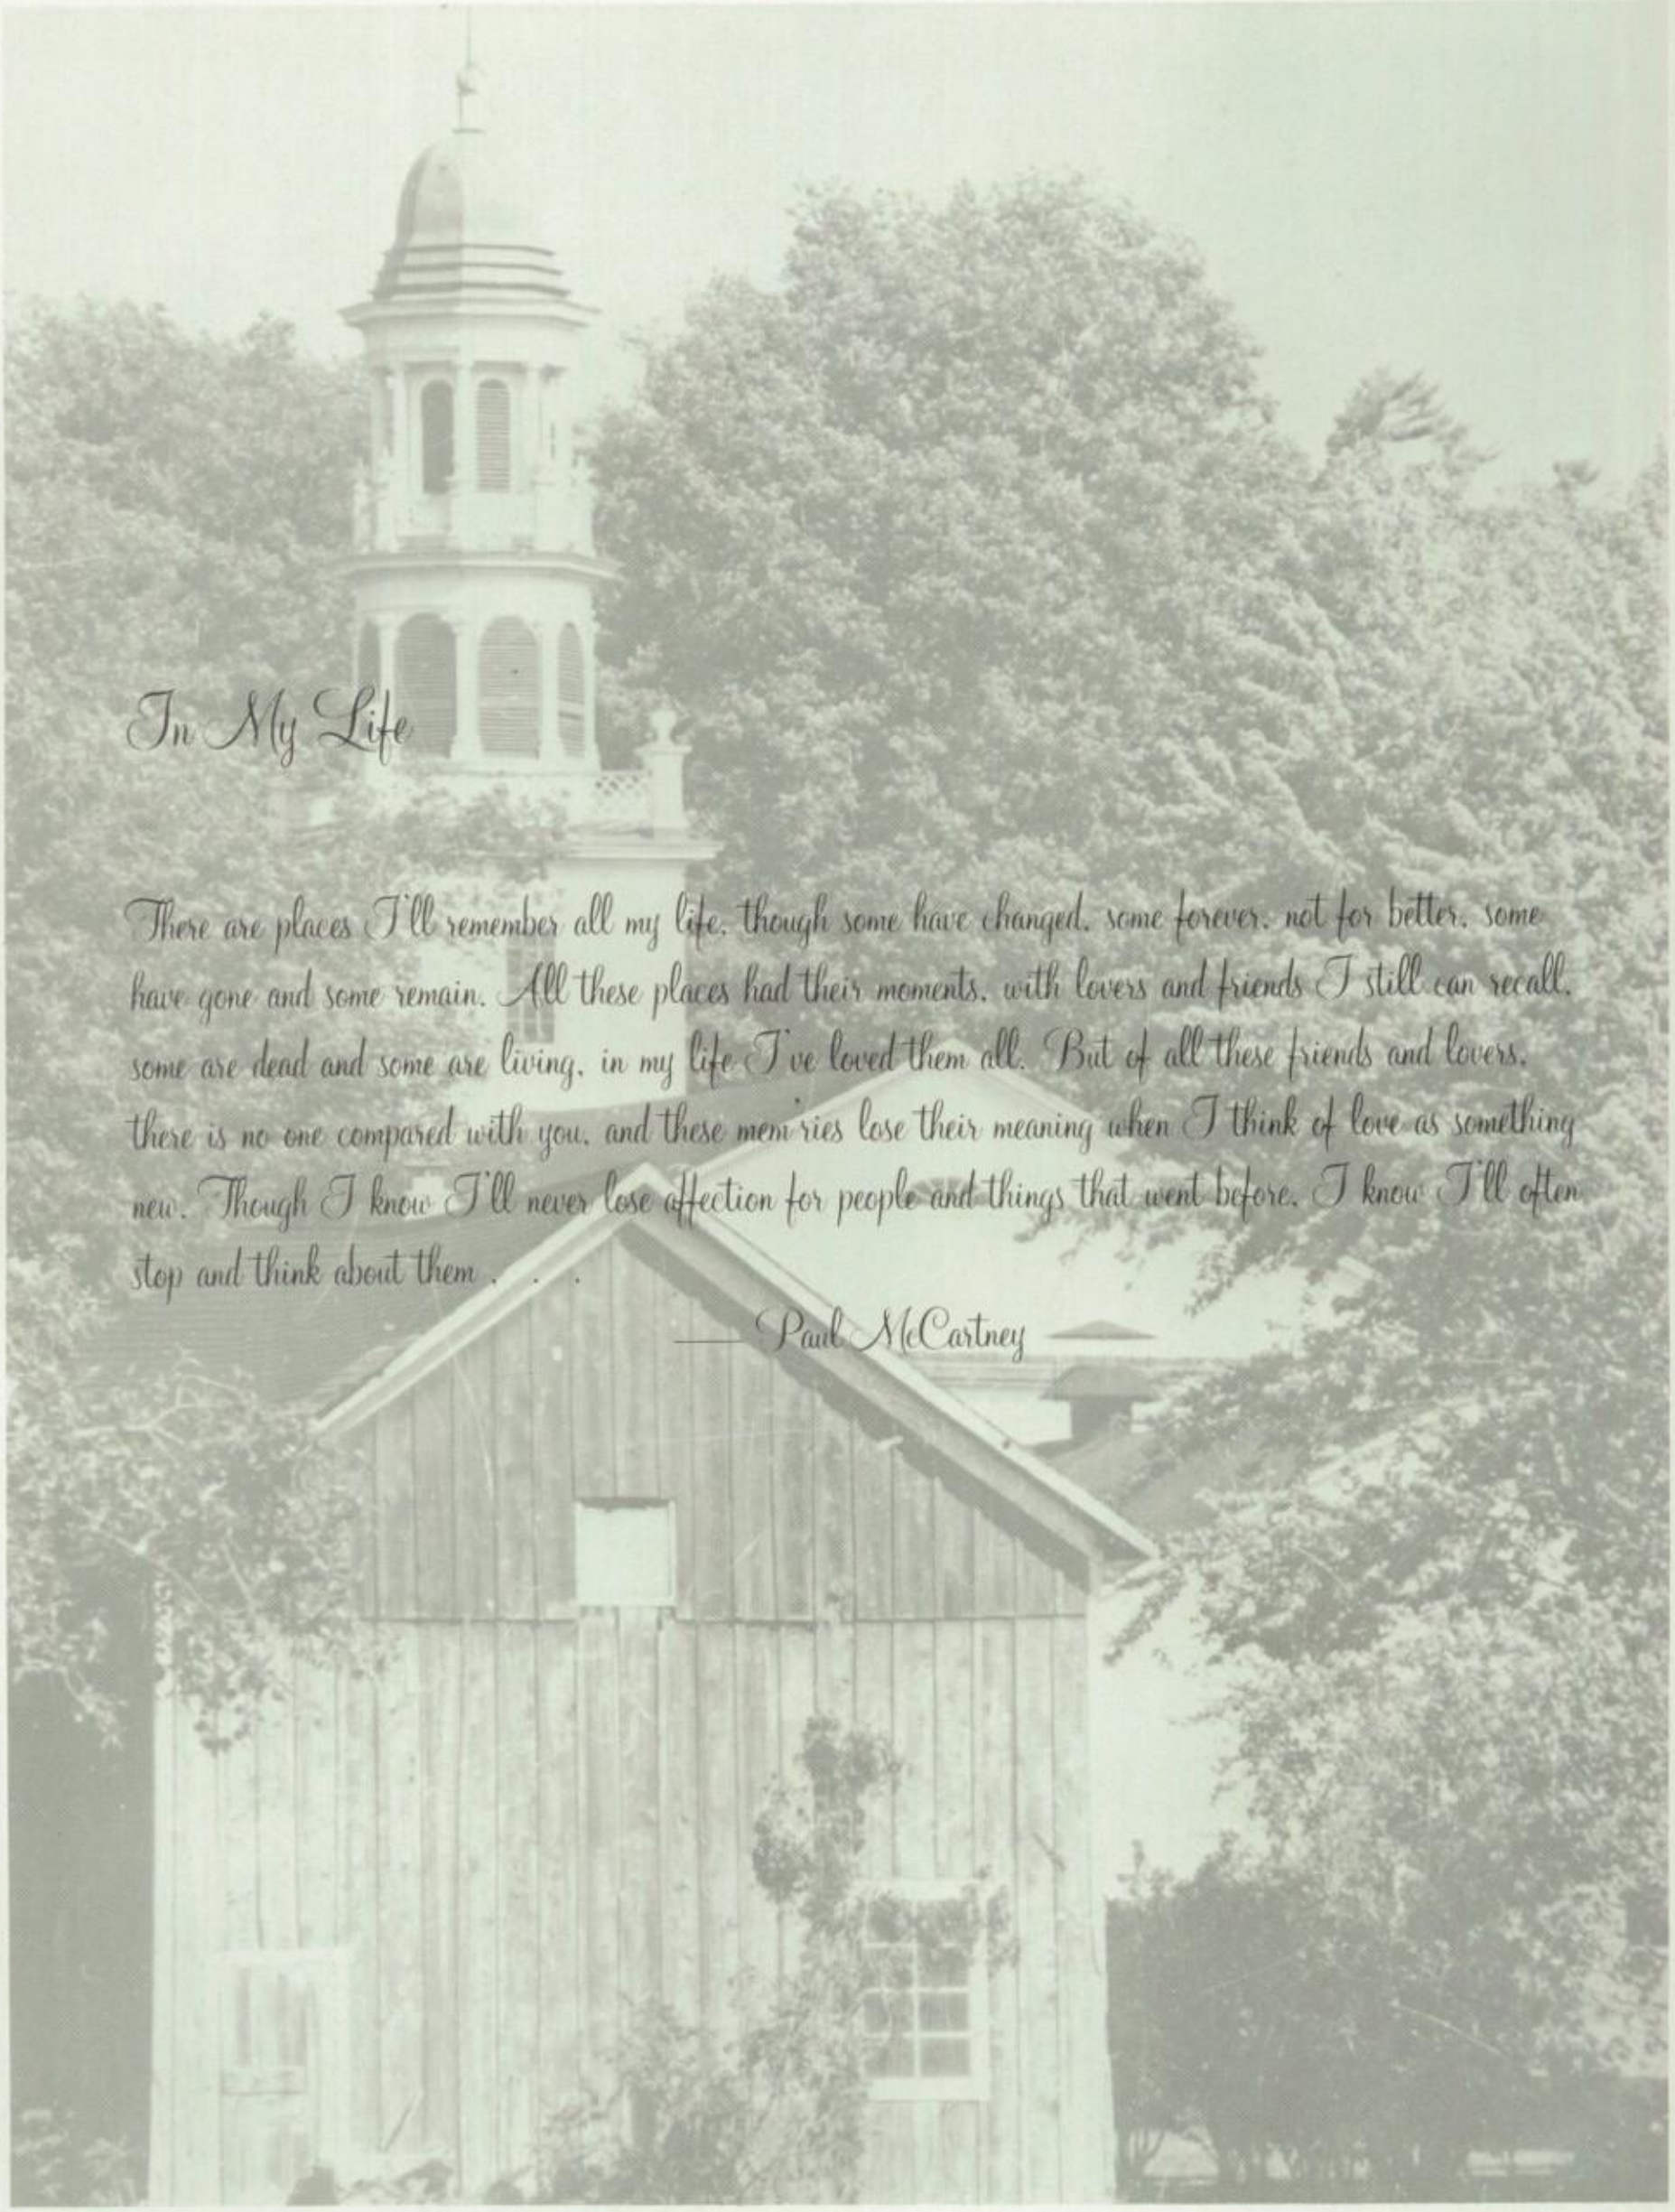
"Well, It's better than Groton?"



In My Life

There are places I'll remember all my life, though some have changed, some forever, not for better, some have gone and some remain. All these places had their moments, with lovers and friends I still can recall, some are dead and some are living, in my life I've loved them all. But of all these friends and lovers, there is no one compared with you, and these memories lose their meaning when I think of love as something new. Though I know I'll never lose affection for people and things that went before, I know I'll often stop and think about them . . .

— Paul McCartney
